

Happy Welcome to Naturfreundehaus Hannover,

Please read and obey our house rules:

The Naturfreundehaus Hannover is a non-smoking building. Smoking is only allowed in designated areas. Please use the ashtrays.

Lighting fire and candles in the rooms is not allowed due to safety reasons.

Preparing warm food in the rooms is not allowed due to safety reasons. Please have your meal in our dining room:

Breakfast	8.00 a.m. – 9.00 a.m.
Lunch	12.30 a.m.
Dinner	6.00 p.m.

Please put the dishes after the meals on the trolley and clean the tables.

Heat must not be wasted during the winter months. Therefore, we kindly ask our guests to put radiators on minimal setting when away. Additionally, windows must not be left open permanently. The rooms should be "speed aired" (short and complete opening of windows) in order to regulate room air.

It is possible to use electronic equipment up to 1.000 watt (220V) inside your room.

In order to maintain a relaxing atmosphere, quiet hours from 10 p.m. until 7 a.m. are to be obeyed. Exceptions are negotiable.

It is the guests' duty to act in a socially acceptable manner, i.e. other guests and employees are not to be disturbed by excessive volume and other agitating behavior also during regular hours (non-quiet hours).

On departure, the rooms are to be left clean-swept until 9.30 am. and furniture and fixtures are to be put back to their original spots and garbage and recyclables (separated according to paper, plastics, glass, and residual waste) are to be disposed of.

Please take off the linen and covers of the beds.

It is the guests' responsibility to make sure all windows and doors of our facilities rented by them are closed on departure. Damages to personal belongings, inventory, and the rooms caused by negligence are the guests' liability.

Our guests are expected to inspect their rooms and furniture and fixtures for damages and contamination. In case of damages and/or contamination, report to management, immediately.

Deactivating the fire alarm and deliberately causing false alarms is not acceptable. Causers will be charged with the resulting costs (a minimum of €80.00!).

We wish you a pleasant stay.
